

BLOC

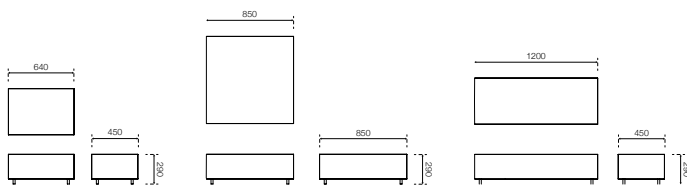

Pauline Deltour

Type: Low Table with Storage

Design: 2020
Designer: Ronan & Erwan Bouroullec

Constructed from birch plywood with contrasting high-pressure laminate finishes, Bloc is durable, strong and very easy to keep clean. The soft-open drawer is entirely hidden unless you know where the handle is located. Cylindrical black-stained oak feet are supplied as standard. High-quality castors are sold as an additional part to make the design mobile - two of the four castors are lockable.
