

ABOUT A CHAIR / AAC 121 SOFT DUO

DESIGN BY HEE WELLING & HAY

The AAC 121 Soft Duo counterbalances its soft quilted shell and contrasting materials with the more formal expression of the aluminium swivel base. Retaining the same high backrest and generous seat that characterises the series, this design features a functional base with legs that fan out from the centre. The base is available in polished or powder-coated aluminium, and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.
