EVERY PIECE COMES WITH A STORY

When you choose a piece of furniture from Carl Hansen & Søn, you are bringing a story into your home. Each and every piece of our furniture has a story to tell: About the furniture designer's unique design. About the materials and how they are processed. And about the craftsmanship mastered by Carl Hansen & Søn for over a century. Craftsmanship is our contribution to the story. We hope that you will pass on the story. This is why we produce furniture.

FRITS HENNINGSEN – A MASTER OF CABINETRY AND DESIGN

In addition to being a talented cabinet maker, Frits Henningsen was a brilliant furniture designer. After completing his training as a cabinet maker in 1911, he travelled around Europe, gaining experience before returning home to Copenhagen and starting his own company in 1915. As a member of the Copenhagen Cabinetmakers' Guild, he took the initiative to stage and arrange furniture exhibitions in Denmark.

Frits Henningsen had a vibrant personality, and was particularly discerning about whom he would work with. Carl Hansen was therefore both proud and excited when Frits Henningsen chose to form a partnership with the newly formed furniture company. The successful Windsor Chair series was one of the fruits of this partnership.

Like the work of his colleagues Kaare Klint and Ole Wanscher, Frits Henningsen's work is rooted in classic craftsmanship traditions while also achieving a design expression with broad appeal – an expression his Heritage Chair clearly illustrates.

With its beautiful curved lines, the Heritage Chair embraces you with its inviting form. Here, the Heritage Chair is pictured in oil-treated walnut and leather.

HERITAGE CHAIR - DESIGN LEGACY FROM HENNINGSEN'S HAND

When you sit in Frits Henningsen's Heritage Chair and the elegant armchair comfortably enfolds you, it feels as though time and space become one. With clear inspiration from earlier style epochs such as French imperial style and 17th-century British furniture, Frits Henningsen created a timeless classic so inviting that it easily becomes the favorite chair in any home.

The mounting interest in Frits Henningsen's furniture in recent years is not surprising. Each of his pieces is, after all, characterized by soft, elegant lines and quality throughout, down to the smallest detail.

The Heritage Chair in oil-treated oak and fabric as well as The Heritage Chair in oil-treated walnut and fabric.

HERITAGE CHAIR | DESIGN: FRITS HENNINGSEN. 1930

Frits Henningsen's Heritage Chair comes with an upholstered seat and back made from a variety of fabrics or leathers, and oak or walnut legs. Matching footrests are also available.
