

# SUVO / vase

## Product description

SUVO is a vase milled in solid white volcanic pumice stone. The surreal impression of its light and porous surface tricks the mind into wondering how this vase can hold water. However it is complimented by an internal glass container meant to hold water. Pure and timeless it is an object of minimalist natural beauty.

## Year of design

2019

## Environment

Indoor

## Cleaning and care

Wipe with cloth

## Material

Volcanic stone

## Color

Natural

## Weight

net: 650 gr.  
Incl. packaging: 750 gr.

## Packaging

Material: White carton box  
Size: 18 x 16 x 16 cm

## EAN code

8719831441587

## Product code

SM388

## HS code

701399
