

J39 Mogensen Chair

Designed By Børge Mogensen, 1969

Børge Mogensen’s renowned J39 Chair is celebrated for its versatility, clear design language, and, not least, its unparalleled durability across generations. With an upholstered seat – originally developed by Mogensen in 1969 – classic functionality is paired with enhanced comfort. The removable cover in canvas or leather rests on a lightly padded base, supporting the chair’s timeless quality. An honest design that continues to enrich both private and public spaces with natural materials and lasting sustainability.
