- The collection features a weatherproof outdoor powder coating
- Suitable for a wide variety of private and public environments
- Qualified for contract use

BALCONY DESIGN BY RONAN & ERWAN BOUROULLEC

Balcony is a new furniture collection of chairs, lounge chairs, tables and benches designed for HAY by Ronan and Erwan Bouroullec. The square design is softened by the rounded edges and holes, which not only give the collection a distinct expression, but also strengthen the construction. Made in powder-coated steel with an outdoor primer for optimal resilience and durability, the collection of outdoor furniture is well suited to balconies, gardens and other outside spaces. All Balcony models are available in different colour options.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. Ronan is a graduate of the École Supérieure des Arts Décoratifs in Paris and Erwan attended the École Nationale Supérieure des Arts in Cergy before starting their own studio. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.

BALCONY CUSHION COLLECTION

Adding extra comfort and functionality to the Balcony collection, the Balcony Cushion has a rectangular shape that fits the seat perfectly. The padded cushion features an anti-slip bottom to keep it securely in place. The fabric is Teflon®-coated for a water-repellent finish and has a high UV resistance, meaning it is fade-resistant with good colour fastness properties. The cushions are available in different sizes and colours and can be used all year round.

MATERIALS

OUTDOOR FABRIC

Solution dyed Olefin with Teflon® Water Repellent

FOAM AND FILLING

20 mm Polyurethane foam. 20 mm Recycled Polyester fibre wadding

BACKING

Black anti-slip recycled PET with biobased natural rubber coating on the seating surface

BALCONY FIXATION BRACKET

The Balcony Fixation Bracket is designed to secure the Balcony Tables, Chairs, and Benches to the ground, anchoring the furniture in windy weather and serving as a theft deterrent. The brackets can be used on any surface and are easy to attach to the Balcony product. Made in powder coated steel, they come in a set of four and are available in one colour – anthracite.

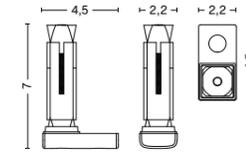

MATERIALS

FIXATION BRACKET
Powder coated stainless steel with EPDM rubber washer
