- Simple and elegant design offering good functionality and comfort
- Available in selected fabrics, leather and frame finishes
- Suitable for a wide variety of private and public environments
- Qualified for contract use

# CAN DESIGN BY RONAN AND ERWAN BOUROULLEC

With the Can sofa, Ronan and Erwan Bouroullec seek to go beyond the creation of a practical, elegant and comfortable design. The intention is to reinvigorate the whole idea of the sofa, from something inherently complicated to something simple, relaxed and accessible. The sofa comes flat-packed and can be easily assembled at home from three basic elements – frame, cover and cushions.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. Ronan is a graduate of the École Supérieure des Arts Décoratifs in Paris and Erwan attended the École Nationale Supérieure des Arts in Cergy before starting their own studio. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.

EN 16139 - L2  
Non-domestic seating

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
