PYL LARGE WALL/CEILING LAMP

DESIGNER: MARIE & ALEXANDRE

YEAR: 2025

2 YEARS WARRANTY —
5 YEARS FOR EUROPE

MATERIAL: STEEL, GLASS

The PYL large wall lamp is part of a collection of lighting made from 100% polished and painted steel tubes, combined with cones that are the signature of the collection, and is available in two formats and two colors for the large wall lamp. The PYL detail is the moulded and pressed glass that diffuses the light and plays with the pattern,

designed by Marie & Alexandre. The range of colours draws its inspiration from Italian design of the last century with chilli red, combined with raw steel in the style of Renzo Piano. The result is a choreographed narrative of multiple typologies: shapes, materials and colours.
