5 YEARS FOR EUROPE

MATERIAL: STEEL, GLASS

8,0 cm / 3,1 inches

The PYL small wall lamp is part of a collection of lighting made from 100% polished and painted steel tubes, combined with cones that are the signature of the collection, and is available in two formats. The PYL detail is the moulded and pressed glass that diffuses the light and plays

with the pattern, designed by Marie & Alexandre. The colour draws its inspiration from Italian design of the last century with raw steel in the style of Renzo Piano. The result is a choreographed narrative of multiple typologies: shapes, materials and colours.
