Mogensen 6286 Table

By Børge Mogensen, 1964

Model	6286 - Mogensen Shaker Table, Dining table 195x97.5 cm
About	Pure shapes and a humble appearance were key attributes of Børge Mogensen's designs. They were also the guiding principles behind the American Shaker movement, which was Mogensen's source of inspiration for the 6286 Table from 1964, followed by the longer 6386 variant. Allowing the texture and character of the material, in this case, a premium selection of oak, to be the focal point. The use of wood and craftsmanship involved in the making of the 6286 adds an element of authenticity to group dining, conference rooms, exhibition and commercial spaces, as well as private homes.
