	Kvadrat	Technicolour Fleck
	Kvadrat	Satin
	Kvadrat	Rewool

leather

	Yarwood Lomond
	Yarwood Style

Fire Retardancy

Please note that when ordering upholstered furniture, it is the responsibility of the specifier to ensure that the fabric meets the relevant fire regulations. If the furniture is intended for use in a public area, it must be specified in a fabric that meets or exceeds BS5852 Part 2, ignition source 5 (Crib 5) fire retardancy. Some fabrics can be additionally treated to meet Crib 5 fire retardancy. Please ask for further details.

It is the customer's responsibility to ensure that the customer's own fabric/leather conforms to the relevant local authority's own fabric/leather fire regulations.

Ongoing development

It is our policy to promote continuous development and we, therefore, reserve the right to change technical specifications and introduce or withdraw fabrics from our standard choices without prior notice.
