## Tense Pendant Lamp Ø70

Panter & Tourron

A new little cloud has floated in. The popular Tense Pendant Lamp is now available with a diameter of 70 cm, in addition to the sizes Ø90 and Ø120 cm. Ideal for smaller spaces or mounted in poetic formations along with the other sizes. Like the other Tense pendants, the lamp consists of a light-weight shade made of the material Tyvek, which is both durable and soft – whilst being 100% recyclable. The flexibility of this paper-like diffuser allows its slim frame to accentuate the cloud like qualities of the lamp. Finished with a slimline LED light source, all components fit into a slim box for ease of transport.
