

Thank you for buying 'Brolly – umbrella stand'

Assembly instructions.

Please read the instructions and warnings carefully before use to ensure safe and satisfactory operation of this product.

Parts:

- ① - Weighted base
- ② - Drip tray
- ③ - Rubber spacer
- ④ - Centre post
- ⑤ - Ring

Fixings:

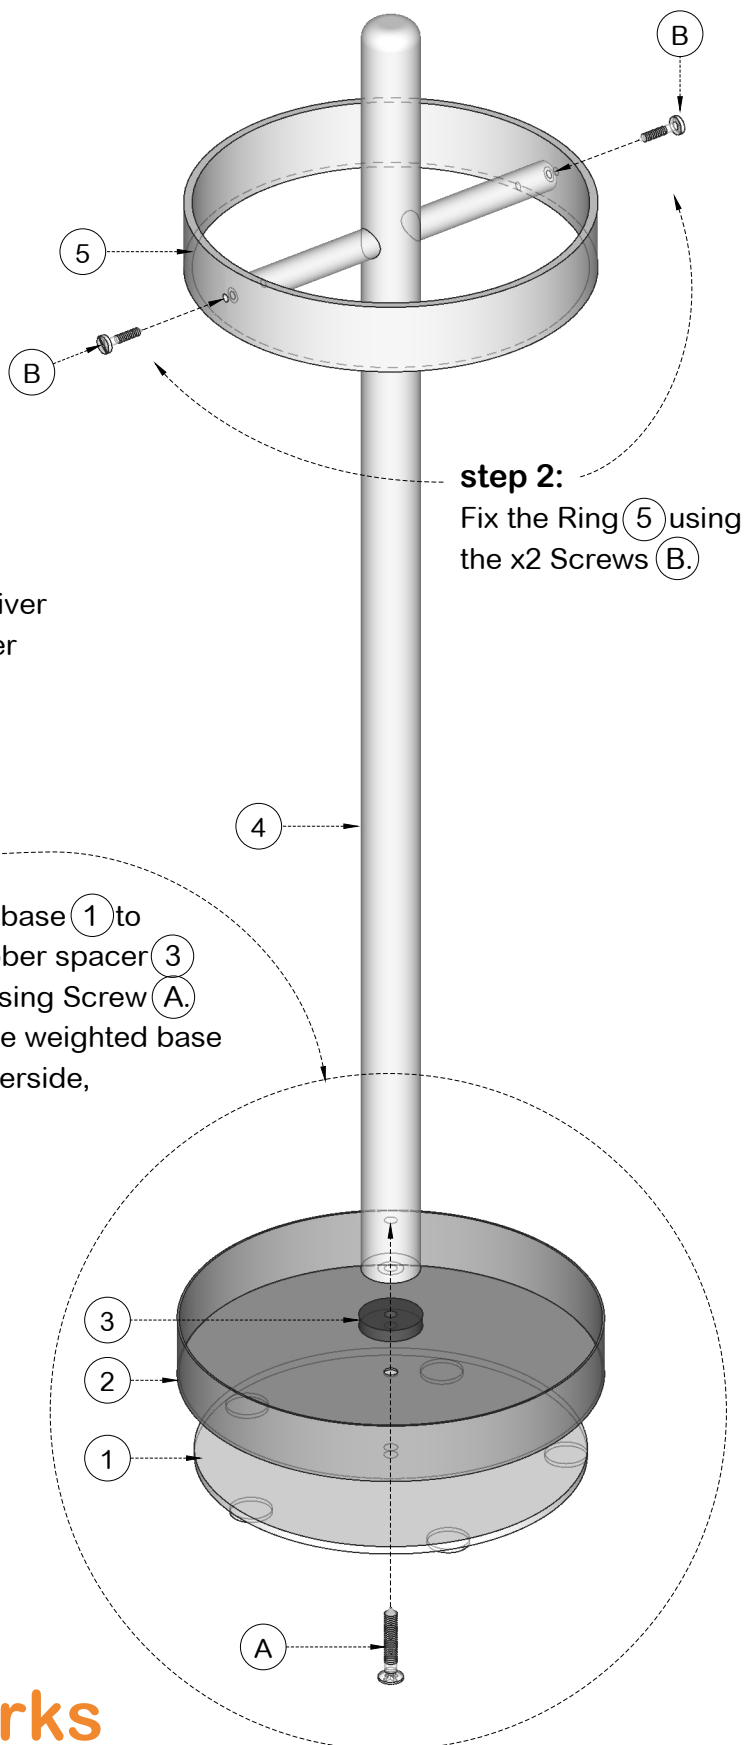

- Ⓐ - Screw x1
- Ⓑ - Screws x 2

Tools necessary:

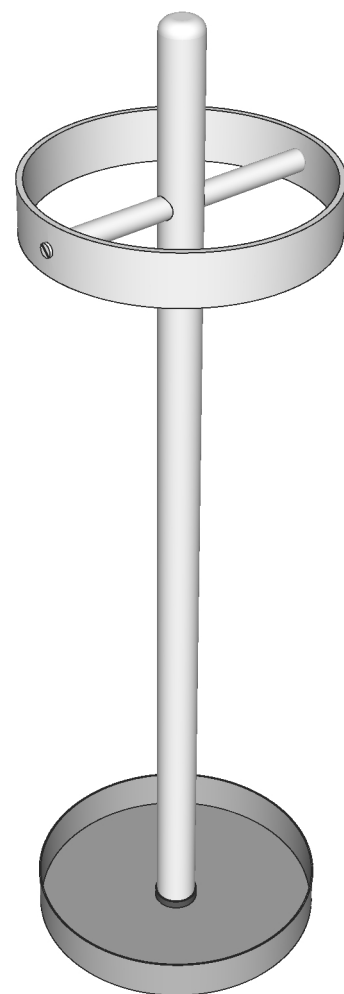

- Crosshead screwdriver
- Flathead screwdriver

step 1:

Secure the weighted base ① to the Drip tray ②, Rubber spacer ③ and Center post ④ using Screw Ⓐ. (the rubber feet on the weighted base should be on the underside, facing the ground)

step 2:
Fix the Ring ⑤ using the x2 Screws Ⓑ.

hint:

Use foam packaging during assembly to prevent damage to surface finishes.

care:

Wipe using a damp cloth with a mild soap solution: do not use abrasive cleaners as these may damage the surface finish.

warnings:

Assemble in accordance with manufacturers instructions.

Check stability of the assembled item. Check the tight fit of the Screw Ⓐ and Screws Ⓑ.

Do not over fill the umbrella stand as this may cause it to fall over.

Empty water from the base tray regularly. Do not allow it to fill past the top of the Rubber spacer ③.
